## A LITTLE HISTORY

Welcome to beautiful downtown Thurber TX, pop. 5 and home of the Smokestack Restaurant since 1971. Thurber, once populated by more than 10,000, is known for its coal mining & brick production. This building was the company mercantile building and is one of the only remaining buildings original to Thurber. They sold everything from "cribs to coffins" and the three biggest sellers were beer, macaroni & oysters. We hope you enjoy the food, atmosphere & especially the history. We sincerely thank you for your business.
